The Court may order payment of additional GAL deposits/payments upon motion of the GAL or upon motion of the Court.

- (A) All hearings on motions shall be scheduled for one (1) hour. Any attorney needing more than one (1) hour must request additional time when scheduling a hearing.
- (B) Attorneys who file cross motions which will require additional time shall request the same from the Clerk. If a hearing cannot be concluded in the amount of time allotted, the Court may grant a continuance and proceed at its discretion or may dismiss the action.

RULE 11.02 Content of Motions

(A) Motions to Show Cause

- (1) All motions to show cause shall state with specificity each provision of a prior Court order with which a party has failed to comply, the date of such order, and the facts constituting noncompliance. The motion shall be accompanied by an affidavit signed by the moving party, and an Order to Show Cause.
- (2) If the motion pertains to the nonpayment of child support, the motion shall clearly set forth the date of the last order of support, the amount of said order, the time period between the date of the last order and the filing of the motion, the amount which should have been paid and the amount that was actually paid during that period, and the amount of the arrearage existing as of the date of filing. For purposes of computing the arrearage, the effective date of any order shall be the date of journalization of the order unless the order specifically states some other effective date. At hearing, the movant shall be prepared to update the arrearage computation to the date of hearing.
- (3) If the motion asserts nonpayment of medical or dental bills, or support other than periodic payments, the motion shall itemize such expenses and state whether demand for payment has been made, including the date of demand, prior to filing the motion.
- (4) Upon a finding of contempt, a standard award of attorney's fees of up to \$500.00 may be awarded. Attorneys seeking fees in excess of \$500.00 shall so state in the text of the motion and shall present evidence, including an itemization of time spent, at the time of hearing regarding the basis of the fee requested.

(B) Motions to Modify

All motions to modify a prior Court order, including motions for a change in the allocation of parental rights and responsibilities, shall set forth the Court order sought to be modified, the nature and extent of the modification sought, and the specific change in circumstances which justifies the relief requested, if applicable. If the motion fails to be specific, the Court may dismiss on its own motion.

(C) Motions for Lump-Sum Judgment

All motions for lump sum judgment shall set forth the Court order upon which the motion is based and the total amount due thereunder. A copy of the records of Knox County Child Support Services shall be attached to all motions involving child support. If the motion fails to include this information, the Court may dismiss it on its own motion.

RULE 11.03 Motions to Set Aside Magistrate's Order

- (A) Objections to a Magistrate's Order may be made by Motion to Set Aside pursuant to Civ.R. 53(D)(2)(b) and/or Juv.R. 40(D)(2)(b), as appropriate.
- (B) Motions to Set Aside shall be filed within ten (10) days after the Magistrate's Order is entered. The Motion to Set Aside does not stay the effectiveness of the Magistrate's Order unless a stay is requested and granted by the Magistrate or the Judge.
- (C) Motions to Set Aside shall be specific and state with particularity the grounds therefore.

RULE 11.04 Objections to Magistrate's Decision

(A) Content

Objections to a Magistrate's Decision filed pursuant to Civ.R. 53(D)(3)(b) and/or Juv.R. 40(D)(3)(b) shall be specific and state with particularity the grounds therefore and shall include the date of the Magistrate's Decision upon which they object. Such objections shall specify whether they are directed to findings of fact, conclusions of law, and/or the Orders of the Magistrate. If objections are directed to findings of fact, a transcript and/or affidavit shall be filed with the Objection.

(B) Time

Objections shall be filed within fourteen (14) days of the filing of the Magistrate's Decision. Said time does not include extensions of time for service pursuant to

Civ.R. 6. Such time period may be extended for good cause shown upon written motion filed prior to the expiration of the original fourteen (14) days. If a party makes a timely request for findings of fact and conclusions of law, the time for filing objections begins to run when the Magistrate files a decision that includes findings of fact and conclusions of law.

(C) Brief in Response

If objections are timely filed and served by any party, the other party may file and serve objections within ten (10) days of the day on which the first objections were filed. A party may file a brief in opposition to objections within ten (10) days of the date on which the objections were filed. An extension of time for filing cross objections or a brief may be obtained for the same reasons and upon the same terms as set forth in sub-section (B) of this rule.

(D) Transcripts

If a record of proceedings is available and a party desires to support his objections with a transcript or parts thereof, such party shall file a written motion for an extension of time in which to have the transcript prepared.

Since preparation of transcript may cause delay in the final disposition of a case, the Judge or Magistrate, in granting an extension of time, may make such temporary orders as deemed necessary. Said orders may include an order requiring any objecting party to post bond to cover any damages the opposing party may suffer because of the delay or ordering partial performance of the Magistrate's Decision pending disposition of the objection.

(E) Ruling on Objections

A ruling on the objections will be made based on the objections, any brief in opposition to the objections, and any transcript provided to the Court. The Court shall prepare and file an entry reflecting the Court's ruling in all cases.

Signatures of the parties are unnecessary on any Judgment Entry or Magistrate's Decision submitted pursuant to a memorandum of agreement.
- (D) When counsel approves the entry, it shall be presented to the Court for approval and journalization of record. If counsel are unable to agree upon the entry, each counsel shall prepare and submit his/her own proposed entry for consideration by the Court, and either the approved proposed entry, or the two (2) proposed entries shall be presented to the Court within fourteen (14) days after the decision of the Court is announced. Upon the expiration of fourteen (14) days, if no entry has been submitted to the Court, all parties and counsel may be summoned to appear before the Court to show cause why they should not be held in contempt of court for failure to abide by the orders of the Court.

RULE 13.02 Notice of Filing

 - (3) When otherwise required by law pursuant to Sup.R. 45(E)(3)(e) or pursuant to any other applicable rule or statute.

- (1) provide a copy of the non-confidential portion of the KCDJFS file, or access to the file through alternative means such as the ECM portal system, to the Guardian ad Litem at or before the Preliminary Hearing, and if file size or other logistical issue exists preventing compliance with this rule, KCDJFS shall make reasonable accommodations to allow the Guardian ad Litem to review the file as soon as possible;
 - (2) provide at least fourteen (14) days prior notice to the Guardian ad Litem of any Semi-Annual Review (SAR) or Family Team Meeting regarding the child(ren);

The following Rule is promulgated pursuant to the Rule of the Supreme Court of Ohio requiring a plan utilizing the Ohio Trial Court Jury Use and Management Standards as a guideline.

(A) Opportunity for Service

- (1) The opportunity for jury service shall not be denied or limited on the basis of race, national origin, gender, age, religious belief, income, occupation, disability, or any other factor that discriminates against a cognizable group in the jurisdiction.
- (2) Jury service is an obligation of all qualified citizens of Knox County, Ohio.

(B) Jury Source List

- (1) Pursuant to Court Order, the jury source list shall be obtained from the Board of Elections' list of registered voters. - (2) The jury source list shall be representative and should be as inclusive of the adult population in the jurisdiction as is feasible.
- (3) The Court shall annually review the jury source list for its representativeness and inclusiveness of the adult population in the jurisdiction as is feasible.
- (4) Should the Court determine that improvement is needed in the representativeness or inclusiveness of the jury source list, appropriate corrective action shall be taken.

(C) Random Selection Procedures

The jury source list from Board of Elections shall be printed out. Names are then computer generated for random drawing during a public jury drawing.

- (3) The trial judge shall conduct a preliminary voir dire examination. Counsel shall then be permitted to question panel members for a reasonable period of time.
- (4) The judge should ensure that the privacy of prospective jurors is reasonably protected, and the questioning is consistent with the purpose of the voir dire process.

(e) Questions are to be asked collectively of the entire panel whenever possible.

(H) Removal from the Jury Panel for Cause

 - (a) Determining whether a person meets the criteria for eligibility;
 - (b) Providing a basic background information ordinarily sought during voir dire examination; and

(L) Monitoring the Jury System

The Court shall collect and analyze information regarding the performance of the jury system annually in order to evaluate:

- (3) All communications between the judge and members of the jury panel from the time of reporting to the courtroom for voir dire until dismissal shall be in writing or on the record in open Court. Counsel for each party shall be informed of such communication and given the opportunity to be heard.

Jury size and unanimity in civil and criminal cases shall conform to existing Ohio law.

(R) Jury Deliberations

- (1) Jury deliberations should take place under conditions and pursuant to procedures that are designed to ensure impartiality and to enhance rational decision-making and shall conform to existing Ohio law.
- (2) The judge should instruct the jury concerning appropriate procedures to be followed during deliberations.
- (3) A jury should not be required to deliberate after a reasonable hour unless the trial judge determines that evening or weekend deliberations would not impose an undue hardship upon the jurors and are required in the interest of justice.
- (4) Training should be provided to personnel who escort and assist jurors during deliberations.

(S) Sequestration of Jurors

- (1) A jury should be sequestered only for good cause, including but not limited to insulating its members from improper information or influences.

RULE 22 SPECIALIZED DOCKET – DRUG COURT

(A) Establishment of the Knox County Juvenile Drug Court Docket

In order to facilitate efficient and effective treatment of alcohol and drug addicted offenders, Judge James M. Ronk of the Knox County Common Pleas Court, Juvenile Division, established the Drug Court on April 1, 2001.

It shall be the goal of the Juvenile Drug Court that all participants involved in delinquent activities and/or unruly behavior will learn to lead and maintain drug and alcohol free lives. Additionally, all adolescents will stop criminal activities and adopt a productive and healthy lifestyle.

(B) Placement in the Drug Court

Youth that are adjudicated delinquent and found guilty are placed on probation with the Court. These youth are put on the Drug Court Watch List, specialized caseload for youth with drug charges. After being placed on this caseload, a number of factors are considered. All of these factors are taken into consideration in a monthly meeting that involves the Watch List probation officer, Drug Court probation officer, and Drug Court treatment counselor:

- (1) The youth must be found guilty of a delinquent charge and placed on probation with the Court.
- (2) The youth has two or more probation violations for failed screens.
- (3) An OYAS Assessment is given to youth considered for programs at Knox County Juvenile Court. A youth's score in the moderate to high range would be considered.
- (4) The information from the social history regarding substance abuse within the family will be gathered. Information regarding the family dynamics, social interaction of the youth and family is also taken into consideration.
- (5) Physical appearance is taken into consideration. Behavior reports from the school and the parents are also considered.
- (6) Past court involvement is reviewed for past history of drug charges and pattern of behavior involving substance abuse.
- (7) Attendance and participation with treatment is considered. In addition, a youth's motivation, as determined by a counselor, is taken into consideration.
- (8) A licensed Chemical Dependency counselor will determine if an Abuse or Dependency diagnosis is appropriate based on the DSM-V diagnostic criteria.

- (9) Grades and attendance are gathered from school, or if applicable a report from employer.
- (10) The age of the Juvenile is considered upon admission to program. The goal would be for youth to have completed the program prior to their 18th birthday

If the above criteria are met, it is still determined by the Drug Court Team and specialized docket Judge. The Specialized docket Judge has discretion on admission of youth entered into the Drug Court Program.

(C) Drug Court Docket Case Management

The Drug Court Program is a specialized docket established to assist chemically dependent offenders on their road to recovery, by providing services and programming to address their specific needs. - (b) Youth that commit a serious felony offense and are sentenced to the Ohio Department of Youth Services; or
- (c) Youth that continually fail to comply with the requirements of the Drug Court Program.

At any time during a youth's participation in the Drug Court Program, they could be terminated from the program and sentenced by the Judge or Magistrate for not complying with the rules and treatment plan.

(2) Neutral discharge

The Court may grant the youth permission to move out of the Court's Jurisdiction. Any mental or physical issues that may arise during the program, which may prevent the client from benefiting from the Drug Court could result in a neutral discharge.

RULE 23 JUVENILE RESTRAINT RULE

- (A) Restraints shall be removed prior to the commencement of a proceeding unless the Court determines on the record, after providing any party an opportunity to be heard on the issue of physical restraint for that child at that hearing, that there is no less restrictive alternative to the use of physical restraint and that the physical restraint of the child is necessary because of either of the following:
 - (1) The child represents a current and significant threat to the safety of the child's self or other persons in the courtroom; or
 - (2) There is a significant risk the child will flee from the courtroom.
- (B) If the Court finds physical restraint to be necessary, the restraint shall be the least restrictive necessary to meet the risk requiring the restraint and in a manner which does not unnecessarily restrict the movement of the child's hands.

RULE 24 SPECIALIZED DOCKET – MENTAL HEALTH COURT

(A) Establishment

The Mission of the Knox County Juvenile Mental Health Court prepares Knox County Juveniles to lead healthy, responsible, and law abiding lives by assisting them in stabilization and coping appropriately with mental illness. This is accomplished in collaboration with the treatment providers using accountability, rewards, and sanctions for the youth (and his or her family).

(B) Goals and Objectives

- (1) Reduce recidivism among individuals with severe and persistent mental health issues in the Knox County Juvenile Court system.
- (2) Reduce participants' detainment time by providing a specialized program for mental health clients.
- (3) Increase the number of Knox County Juvenile Probation successful terminations.

(C) Placement in the Mental Health Court Docket

MHC serves juveniles who reside in Knox County and are charged with misdemeanors and felonies, and who have severe and persistent mental illnesses that are contributing factors in their law-breaking behavior and juvenile court involvement, and for whom court-monitored treatment and other services would enhance their ability to become productive and law-abiding citizens. The program criteria are the minimum requirements that a person must meet in order to enter MHC.

(D) Legal Criteria

- (1) The juvenile must be between the ages of 13 and 17 and under the jurisdiction of the Knox County Juvenile Court. An individual below the age of 13 and above the age of 17 may also be considered at the discretion of the Judge.
- (2) The juvenile is charged with a misdemeanor or felony offense.
- (3) The juvenile is not charged with a drug trafficking offense, sexually-oriented offense, offenses involving a weapon, or offense of violence resulting in serious physical harm to another.
- (4) The juvenile is competent to stand trial (if concerns are raised in regards to competency by defense counsel or other creditable sources a forensic assessment may be required).

- (5) The juvenile has reviewed and verbally indicated a willingness to conform to the Participation Agreement.

(E) Clinical Criteria

- (1) The juvenile must have a mental health diagnosis that is directly contributing, causing, or aggravating the delinquent behaviors of the youth.
- (2) The juvenile must be stable enough to understand and comply with program requirements; and
- (3) The juvenile must not pose an unacceptable risk to program staff, family, or community.

(F) Mental Health Court Case Management

(1) Pre-Phase Orientation Phase

The goal of the orientation phase is to instill a thorough understanding of the MHC requirements to assure the highest level of function and success within the program. This phase will be completed after the first or second week of being at the status review hearings.

(2) Compliance Phase (Phase I – Initial)

This phase stabilizes the participant and assures participant compliance with MHC requirements. During this phase, the participant has the most contact with the court by attending weekly scheduled status review hearings. This is also the most intense phase for the participant's case manager and/or probation officer.

(3) Program Engagement Phase (Phase 2)

After the participant obtains stability in the compliance phase, the participant will begin to address the issues that brought the participant into MHC. During this period, the participant will begin to develop skills, improve family relationships, and set employment, vocational, or educational goals. Based on the participant's progress, required appearances at status review hearings may be reduced.

(4) Growth and Development Phase (Phase 3)

This phase is focused on developing self-sufficiency. The participant will begin to utilize skills learned in treatment and programming, continue to improve family relationships, and begin to learn to manage his/her mental illness. This

phase is key, as the participant puts into practice everything learned in the first two phases and will be able to demonstrate ongoing stability.

(5) Maintenance Phase (Phase 4)

This phase is focused on the juvenile maintaining the stability obtained in the earlier phases. By the time the juvenile graduates to this phase, he/she has successfully and faithfully adhered to treatment or programming requirements. The juvenile may have also integrated structure into his/her life by avoiding additional involvement with the criminal justice system.

The amount of court involvement and case management will lessen as the participant demonstrates ongoing stability using the tools acquired in the earlier phases. Appearances at MHC status review hearings may be reduced even further but in no event less than once a month. The treatment team will act in a support role, monitoring the participant's maintenance. With any regression, the treatment team will act swiftly to put participant back on track. The length of this phase varies, depending on the participant's needs.

(G) MHC Completions/Terminations/Neutral Discharge

(1) Criteria for Successful Completion

(a) Successful completion criteria are the guidelines used to identify how participants can successfully complete MHC. In order to successfully complete MHC, the participant must demonstrate the compliant behavior and accomplishments below.

(2) Termination Classifications

The MHC Judge has discretion in determining termination from the specialized docket.

(a) Unsuccessful termination

(i) Termination criteria for unsuccessful completion of MHC includes:

- Ongoing non-compliance with treatment or resistance to treatment;
- New, serious criminal convictions;
- A serious MHC infraction or series of infractions; and

(ii) The unsuccessful termination policies and procedures include:

(b) Neutral discharge

(i) A participant may be neutrally discharged if the participant is no longer capable of completing MHC as a result of:

- A serious medical condition;

APPENDIX B

KNOX COUNTY PARENTING SCHEDULE

PREFACE: There is no specific schedule of parenting time that can address the changing needs of children and parents. It is important for parents to remain flexible based upon the changing needs of their children. As children mature and become involved in activities outside the home, they often have less time to spend with parents. The Court encourages parents to resolve parenting issues amicably as they occur.

The schedule for parenting time set forth is, in most cases, the **MINIMUM** amount of parenting time for the non-residential parent. Parents are encouraged to create their own parenting schedules, which may include more or less parenting time as the parties agree.

When relationships end, parents may experience a difficult time dealing with one another. Times when children are physically transferred between the parents is NOT an opportunity to direct hostility toward the other parent, including demeaning language or behavior. **IT IS THE ABSOLUTE DUTY OF EACH PARENT TO MAKE CERTAIN THAT THE CHILD IS READY FOR PARENTING TIME WITH THE OTHER PARENT AND IS TRANSFERRED TO THE OTHER PARENT IN A TIMELY FASHION AT THE COMMENCEMENT AND AT THE TIME PARENTING ENDS.**

GENERAL RULES REGARDING PARENTING TIMES: These rules apply to all parenting times.

Conflicting Schedules; Order of Priority:

Unless the Court orders otherwise, in the event of conflicts in parenting time schedules under this Rule, the following is the order of priority, with number one having the first priority:

1. Holidays and days of Special Meaning as set forth in Local Rule except the child's birthday.
2. Child's birthday.
3. Vacation periods or extended parenting times, including President's Day and Martin Luther King Day weekends.
4. Weekends and mid-week parenting times. The alternate weekend rotation is not changed due to parenting time schedule conflicts.

Illness.

Parenting time shall be provided to the non-residential parent even if the child is ill, unless the child is hospitalized or a physician has recommended that the child not be removed from the residential parent's home, in which event immediate notice shall be given to the non-residential parent. Any weekend parenting time that is missed under this provision shall be made up the next weekend available to the non-residential parent.

Medications

In all instances in which it is necessary for a child to take prescribed medications, the residential parent shall provide the non-residential parent with an adequate supply of such medications to care for the child's needs during parenting time.

The residential parent shall also provide the non-residential parent with copies of the explanatory materials issued by the pharmacy or, in lieu of this information, a typed or legibly written document setting forth the times of administration of medications, an explanation of whether food should be taken with the medications, a list of any potential side effects known to the residential parent and the name, address, and telephone number of the child's pediatrician and pharmacist. The residential parent shall provide this information to the non-residential parent at the time the child is exchanged for parenting time.

All medications shall be administered to the child by the non-residential parent as prescribed. If the non-residential parent is not physically present to administer medications, then it shall be the responsibility of such parent to designate an adult of suitable maturity and judgment to administer the medications as prescribed.

Communications

Unless the Court orders otherwise, each parent must keep the other informed of his/her current address and telephone numbers and an alternate telephone number in case of emergencies.

IT IS THE RESPONSIBILITY OF THE PARENTS, NOT THE CHILDREN, TO MAKE ALL PARENTING TIME ARRANGEMENTS. Both parents shall refrain from criticizing the other or arguing with the other parent in the children's presence.

Either parent may have reasonable telephone contact with the children not to exceed twice a week for a period of between 5 to 10 minutes during the hours of 7:00 a.m. to 8:00 p.m. If the children are not available, the children should return the telephone call within 24 hours of the time the parent made the unsuccessful call to the children.

Children are permitted unlimited telephone/and or e-mail contact with the parent with whom they are not spending parenting time.

Both parents shall encourage free communications between the children and the other parent.

Neither parent shall do anything to impede or restrict reasonable communications by telephone, cell phone (including text messaging), mail, or computer (e-mail or instant messaging) with the child and the other parent regardless of who initiated the communication. Neither parent shall monitor or listen in on the children's telephone calls with the other parent.

Clothing and Supplies for Children older than 3 years of age

The residential parent shall send the child with sufficient clothing and outerwear appropriate for the season and for any known or planned activities. The non-residential parent shall return all items that are sent at the end of parenting time.

Clothing and Supplies for Children under 3 years of age

In cases with infants and young children 3 years and younger, each parent shall maintain at their home a crib or infant bed (as applicable), a car seat, formula, bottles, appropriate clothing and outerwear, and a sufficient supply of diapers and related items in his/her home for the child.

Children's Activities

Scheduled periods of parenting time shall not be delayed or denied because a child has other activities. It is the responsibility of the parents to discuss extra-curricular activities of the children in advance, including time, dates, and transportation needs. A parent receiving activity schedules shall provide a copy to the other parent. The parent who has the children during the time of the scheduled activity is responsible for the transportation, attendance and/or other arrangements. Both parents are permitted to attend all their children's activities, regardless of the parenting schedule.

The residential parent shall not unreasonably schedule activities or appointments with the minor children when the child would otherwise be with the non-residential parent.

Schoolwork

A parent must provide time for any child to study, complete homework assignments, papers, or other school assigned projects, even if the completion of this work interferes with the parent's plans with the children. If schoolwork is assigned by the school prior to the scheduled parent's time, the other parent must inform the scheduled parent of the work to be done, and it is the scheduled parent's responsibility to see that it is completed.

Grace period

The parent transporting the children for parenting time shall have a grace period of 15 minutes for pick-up and delivery if both parties live within 30 miles of one another. If the one-way distance to be traveled is more than 30 miles, the grace period shall be 30 minutes. In the event the non-residential parent exceeds the grace period, that particular parenting time is forfeited unless prior notification and arrangements have been made. This rule shall be subject to the exception that in the event the non-residential parent experiences an unavoidable accident, emergency, or traffic delay en route and promptly notifies the other parent of the delay the parenting time is not forfeited.

PROMPTNESS AND FLEXIBILITY ARE TO BE THE GOALS OF THE PARENTS CONCERNING TRANSPORTATION OF THE CHILDREN FOR PARENTING TIME

Transportation

Parents or a designated third party are responsible for providing transportation to and from parenting time. Unless the parties otherwise agree, the parent who is exercising parenting time shall pick up the child from the residential parent (or designated person, if applicable) at the child's residence, unless otherwise designated, and at the end of parenting time the other parent (or designated person, if applicable) shall be responsible for picking up the child from parenting time.

If circumstances prevent a parent from personally delivering the children to or from parenting time, another responsible adult known to both parents and the children may provide transportation with advance notice to the other parent, unless otherwise ordered by the Court.

In all instances in which a child is required by Ohio law to be transported in a child safety seat or booster seat, each parent shall use a properly installed child safety seat or booster seat. In all other instances, the parent transporting the child shall be responsible for using a properly functioning seat belt. Only a driver with a current, valid license may transport the children.

Air Travel

The non-residential parent exercising parenting time with a child, under 10 years of age, choosing air travel, must accompany that child to and from parenting time. The cost of the parent's travel is that parent's responsibility.

For children who are over 10 years of age and can travel as unaccompanied minors, the non-residential parent must make travel arrangements with the airline. Most airlines will require a fee to provide this service, which will be the responsibility of the non-residential parent. The non-residential parent shall provide written notice to the residential parent of the itinerary and the provisions for the child to fly as an unaccompanied minor.

Alterations in the Child's Physical Appearance

The non-residential parent shall not alter the physical appearance of the child by hair coloring, unconventional hair cuts, ear or other body part piercings, permanent tattooing, or any other drastic act that appreciably alters the physical appearance of the child without the consent of the residential parent.

Serious Family Illness/Death

Both parents shall accommodate parenting time requested by the other parent in circumstances in which there exists a dire family illness and/or death of a grandparent, stepparent, stepsibling, half-siblings, aunts and uncles.

SUMMER PARENTING TIME

General Guidelines

1. If summer school is necessary for a child in order to pass into the next grade, then regardless of which option the parties have chosen, each parent is responsible for getting the child to school during their summer parenting time.
2. Regardless of the schedule chosen during the summer break, each parent is responsible for obtaining their own work-related child care provider unless the parties otherwise agree in writing.
3. In the event of multiple children with different length summer breaks, the shortest summer break dictates the schedule.
4. Home schooled children shall follow the schedule of the residential parent's school district.
5. On the July 4th holiday, the child(ren) shall remain with the parent exercising parenting time on that date.

OPTION ONE - SUMMER

In even years, the non-residential parent shall exercise the first week of summer parenting time beginning at 6:00 p.m. on Friday after school recesses for the summer, followed by the residential parent exercising the next week.
